

## AN OLD MAN'S TRIBUTE.

An Ohio Fruit Raiser, 78 Years Old, Cured of a Terrible Case after Ten Years of Suffering.

Sidney Justus, fruit dealer, of Mentor, Ohio, says:

SIDNEY JUSTUS

"I was cured by Doan's Kidney Pills of a severe case of kidney trouble, of eight or ten years' standing. I suffered the most severe backache and other pains in the region of the kidneys. These were especially severe when stooping to lift anything and often I could hardly straighten my back. The aching was bad in the day time, but just as bad at night, and I was always lame in the morning. I was bothered with rheumatic pains and dropsical swelling of the feet. The urinary passages were painful and the secretions were discolored and so free that often I had to rise at night. I felt tired all day. Half a box served to relieve me, and three boxes effected a permanent cure."

### It Keeps Them Off.

They are pretty bad this year—no mistake—and they bite viciously. We refer to Mosquitoes, but a little Hunt's Lightning Oil applied to the irritated places takes the sting away. It keeps them off if used in time.

## KIDNEY TROUBLES

Increasing Among Women, But Sufferers Need Not Despair

### THE BEST ADVICE IS FREE

Of all the diseases known, with which the female organism is afflicted, kidney disease is the most fatal, and statistics show that this disease is on the increase among women.

Mrs. Emma Sawyer

Unless early and correct treatment is applied the patient seldom survives when once the disease is fastened upon her. Lydia E. Pinkham's Vegetable Compound is the most efficient treatment for kidney troubles of women, and is the only medicine especially prepared for this purpose.

When a woman is troubled with pain or weight in loins, backache, frequent, painful or scalding urination, swelling of limbs or feet, swelling under the eyes, an uneasy, tired feeling in the region of the kidneys or notices a brick-dust sediment in the urine, she should lose no time in commencing treatment with Lydia E. Pinkham's Vegetable Compound, as it may be the means of saving her life.

For proof, read what Lydia E. Pinkham's Vegetable Compound did for Mrs. Sawyer.

"I cannot express the terrible suffering I had to endure. A derangement of the female organs developed nervous prostration and a serious kidney trouble. The doctor attended me for a year, but I kept getting worse, until I was unable to do anything, and I made up my mind I could not live. I finally decided to try Lydia E. Pinkham's Vegetable Compound as a last resort, and I am to-day a well woman. I cannot praise it too highly, and I tell every suffering woman about my case."

## NAMES BEST DOCTOR

MR. BAYSON PUBLISHES RESULTS OF VALUABLE EXPERIENCE.

A Former Pronounced Dyspeptic He Now Rejoices in Perfect Freedom from Migrations of Indigestion.

Thousands of sufferers know that the reason why they are irritable and depressed and nervous and sleepless is because their food does not digest, but how to get rid of this difficulty is the puzzling question.

Good digestion calls for strong digestive organs, and strength comes from a supply of good rich blood. For this reason Mr. Bayson took Dr. Williams' Pink Pills for the cure of indigestion.

"They have been my best doctor," he says. "I was suffering from dyspepsia. The pains in my stomach after meals were almost unbearable. My sleep was very irregular and my complexion was sallow. As the result of using eight boxes of Dr. Williams' Pink Pills, about the merits of which I learned from friends in France, I have escaped all these troubles, and am able again to take pleasure in eating."

A very simple story, but if it had not been for Dr. Williams' Pink Pills it might have been a tragic one. When discomfort begins with eating, fills up the intervals between meals with pain, and prevents sleep at night, there certainly cannot be much pleasure in living. A final general breaking down must be merely a question of time.

Mr. Joseph Bayson is a native of Aix-les-Bains, France, but now resides at No. 2439 Larkin street, San Francisco, Cal. He is one of a great number who can testify to the remarkable efficacy of Dr. Williams' Pink Pills in the treatment of obstinate disorders of the stomach.

If you would get rid of nausea, pain or burning in the stomach, vertigo, nervousness, insomnia, or any of the other miseries of a dyspeptic, get rid of the weakness of the digestive organs by the use of Dr. Williams' Pink Pills. They are sold by druggists everywhere.

Proper diet is, of course, a great aid in forwarding recovery once begun, and a little book, "What to Eat and How to Eat," may be obtained by any one who makes a request for it by writing to the Dr. Williams Medical Co., Schenectady, N. Y. This valuable diet book contains an important chapter on the simplest means for the cure of constipation.

### Bare Wedding Rehearsals.

Rev. Charles E. Guthrie, pastor of Park Place Methodist Episcopal church, Baltimore, announces that in future he will refuse to read the marriage service at rehearsing parties. Moreover, he discourages the idea of fashionable weddings in churches, which make rehearsals necessary, holding that such affairs make too much of the dramatic effect and dress display and too little of the solemnity of the obligation that is being assumed. Mr. Guthrie believes that an important contributing cause to the divorce evil lies in the fading out of the religious idea regarding marriage.

### Town for College People.

A movement to colonize a tract of land three miles from the campus and form a new town has been started by members of the faculty of Stanford University, at Palo Alto, Cal. Subdivision and buildings are to be begun at once and "it is assumed that only college people will be encouraged to become residents."

### Seventy-Nine Times at Derby.

Robert Deale, an eighty-seven-year-old tradesman at Epsom, witnessed the annual race for the Derby for the seventy-ninth time recently.

### Especially for Women.

Champion, Mich., July 24th.—(Special)—A case of especial interest to women is that of Mrs. A. Wellett, wife of a well known photographer here. It is best given in her own words.

"I could not sleep, my feet were cold and my limbs cramped," Mrs. Wellett states. "I had an awful hard pain across my kidneys. I had to get up three or four times to the night. I was very nervous and fearfully despondent."

"I had been troubled in this way for five years when I commenced to use Dodd's Kidney Pills, and what they caused to come from my kidneys will hardly stand description."

"By the time I had finished one box of Dodd's Kidney Pills I was cured. Now I can sleep well, my limbs do not cramp, I do not get up in the night and I feel better than I have in years. I owe my health to Dodd's Kidney Pills."

Women's illa are caused by Diseased Kidneys; that's why Dodd's Kidney Pills always cure them.

Some girls proceed to catch on and marry—then implore the divorce judge to help them let loose again.

### Splitting Headaches.

Can be often relieved by a nerve sedative, but the quickest way of treating a headache is to go right down to the real cause, or root of the trouble, and cure it with Dr. Caldwell's Syrup Pepsin. It is the only perfect cure for headache, dizziness, constipation, and is free from the dangerous after-effects, which so frequently follow the use of headache powders. Try it. Sold by all druggists at 50c and \$1.00. Money back if it fails.
